CHICAGO STADIUM CORPORATION

ARTHUR M. WIRTZ

Chairman

Arthur M. Wirtz, Chairman of the Board of the Chicago Blackhawks, has been associated with hockey since 1932 when he and his associates bought the Detroit Red Wings. It was always the ambition of Mr. Wirtz and his associates to own a hockey club in their native city, and this opportunity occurred in 1954 when they acquired the Blackhawks and sold their interests in Detroit.

Mr. Wirtz has been active in the management and development of the National Hockey League and the growth of hockey in the United States. In 1971 he was elected to the Hockey Hall of Fame in recognition of his contributions to the sport.

Closely allied with the Blackhawks is the operation of Chicago Stadium. Mr. Wirtz has been instrumental in seeing that its facilities have been up-dated through the years with the addition of air conditioning, new seating and washrooms and expanded parking.

In 1935 Arthur M. Wirtz started the first major professional ice show in this country in the Chicago Stadium. The show was acccepted with moderate success and in 1936 he brought Sonja Henie to America. She had just won the 1936 Olympics, thereby giving her three Olympic championships and ten consecutive World Championships and became the star in his Hollywood Ice Revue.

This show was an immediate success and set box office records for over 15 years.

As a native Chicagoan, Mr. Wirtz is interested in Chicago "The City that Works" and is a Founder Member of the Board of McCormick Place and of Chicago Urban Transportation District.

A devoted family man, he and his wife, Virginia, have four children, ten grandchildren and six great grandchildren.

WILLIAM W. WIRTZ

President

William W. Wirtz was elected chairman of the NHL board of Governors for the fourth time at the 1980 Annual Meeting. His first term was in 1970-72, then from 1974-76 and later in 1978 a term which was extended.

In that position he has been very much involved in the complicated expansion negotiations which finally culminated last summer in the addition of four teams from the WHA. He also was very instrumental in the first sports collective bargaining contract with the NHL Players Association in 1975, an agreement that was extended last summer.

Bill succeeded his father as president of the Black Hawks in 1967. He has taken an active part in the team since his graduation from Brown University in 1950.

For his many contributions to hockey and the NHL, he was elected to Hockey's Hall of Fame in 1976, joining his father who had been named to the Hall in 1971. They are the only living father-son combination in the Hall of Fame.

Along with his father and brother, Michael, Bill is interested in harness racing, both as breeders and in the racing. One of their greatest breeding accomplishments was Governor Skipper which was named pacer of the year in 1977, while establishing 12 world records.

Bill and his wife Joan have five children and two grandchildren.

MICHAEL WIRTZ

Vice President

While Michael Wirtz has been Vice President of the Black Hawks since 1958, his interest in hockey does not stop with the National Hockey League.

He has kept a keen interest in amateur hockey where his boys participate. Like any hockey-dad, he can be seen driving kids to games on the week-end.

Mike works closely with his brother, Bill and vice president Tommy Ivan in trying to solve the many hockey problems that develop on all levels.

He is a graduate of Wharton School of Commerce at the University of Pennsylvania. Mike and his wife, Sunny, live in Glenview with their three children.

THOMAS N. IVAN

Vice President

Tommy Ivan would be the last one to tell you, but he was probably as responsible as any one in the country for what happened to the U.S. Hockey team in Lake Placid when it won the Gold Medal, and upset the highly touted Soviet team during the 1980 winter olympics.

Tommy was named chairman of the organizing committee which planned for more than two years to put the best possible Americans on the ice at the Winter Olympics. With the complete cooperation of his boss, Bill Wirtz, Tommy put in hundreds of hours and long travel jaunts to accomplish the final goal, but he will tell you it was well worth the effort.

He was elected to the Hockey Hall of Fame in 1974. Last summer he was named a director of the U.S. Hockey Hall of Fame.

Tommy came to the Black Hawks in 1954, after winning six straight NHL titles as coach of the Detroit Red Wings. He took the Hawks from virtual obscurity to a Stanley Cup in 1961 and as general manager saw his team in the finals in 1962, 65, 71 and 73.

After serving 25 years as Hawk G.M., Tommy moved up to vice president and assistant to the president four years ago. He is also alternate governor.

Besides his coaching and managerial successes, Tommy is probably most well known for his pioneering of hockey in the American colleges.

ROBERT J. PULFORD

General Manager

Bob Pulford approaches his job as general manager of the Black Hawks the same way he played the game as a member of four Stanley Cup teams in Toronto.

That would be with hard work, no nonsense and long hours. Now in his fifth season as the top hockey man in the organization, some of his quiet, low key moves are just about to reap dividends for Chicago's fans.

Through trades he made it possible for the Hawks to pick up 15 draft choices last year and now has the farm system well stocked for the future.

No one suffers as much as Pulley when the team goes into a slump, but he has been around hockey long enough to know that the only way to build a winner is with solid moves keyed to the long range rather than going for fast headlines.

In his first two seasons he served as both coach and G.M. He was named coach of the year by the Hockey News in his first season with the Hawks in 1977-78. He also won coach of the year honors once while at Los Angeles in 1974-75.

Pulford lives in a north side suburb with his wife, Rosalyn and three children.

JACK DAVISON

Asst. General Manager

Having served as chief scout for the Black Hawks for many years, Jack's most important function as right hand to G.M. Bob Pulford is the oversight of the Black Hawks' scouting system and supervision of the annual amateur draft.

Last year, with the acquisition of Denis Savard and the maturing of Darryl Sutter, had to be one of his most rewarding seasons. Savard was the first pick by the Hawks (third overall) while Sutter had been picked in the 11th round two years earlier but turned out to be the team's top goal scorer after spending most of two years in the minors.

Jack also watches over the Hawks' farm teams in Moncton, N.B., and Flint, adding to his already heavy travel schedule.

A good athlete in his own right, Jack had a tryout with the Braves' organization as a first baseman. He also is one of Canada's top golfers. His duties with the Black Hawks made it necessary for him to devote almost all of his time to hockey, so he doesn't get to play golf as much as he once did.

He has coached or played at every level of amateur and professional hockey over the years.

Jack makes his Toronto home his headquarters but spends much time in Chicago. When not in town, he talks daily with Pulford by phone.

He and wife, Isobel have three children

KEITH MAGNUSON

Coach

Keith Magnuson is in the list of really popular athletes who have played for Chicago teams over the years . . . in the category with people like Gayle Sayers, Gabby Hartnett, Ted Lyons, Luke Appling, George Connor and Ernie Banks, not to mention the many Black Hawk greats.

In his ten years as a player Keith had two fractured jaws from stopping pucks on defense, three knee operations, broken elbows, severed ham string, and many other bumps and bruises as he gave every ounce of his body and blood for his team.

As a coach, he still gives hours and hours of sweat and mental anguish with every piece of adversity that might befall his troops. But he never loses his enthusiasm or his patience.

Keith had a really rough baptism of fire in his first season as an NHL coach last year when a broken arm sidelined his top scorer in Grant Mulvey, his 31 goal scorer and top check, Rich Preston had knee surgery, and a total of more than 250 man games were missed for sundry reasons.

Even with those problems the team knitted together and toward the last third of the year, the Hawks were as dangerous as any team in the league.

Keith is a product of Tommy Ivan's pioneering in the college ranks and joined the Hawks in 1969, helping them move from last place the year before, to the Prince of Wales trophy as the No. 1 team in the NHL in 69-70.

He and his wife, Cindy, live in the northwestern suburbs along with their two children, Kevin and Molly.

CLIFF KOROLL

Assistant Coach

Cliff Koroll scored 208 goals in his 11 seasons with the Black Hawks.

Koroll joined the Hawks in 1969-70 and was immediately given one of the toughest jobs a rookie could get. He had to fill the skates of Kenny Wharram, one of the all time great Hawk right wings who was forced to retire because of a heart murmur.

Cliff moved to the Scooter line and went on to five seasons of 20 or more goals including 1972-73 when he scored 33.

Koroll retired to assist Keith Magnuson last year. The two were roommates in their days at Denver University and started their Hawk careers together in 1969-70, helping the team move from last place the year before to first in the League their rookie seasons. Now they each have a year's experience and should have an even better grasp of the NHL's coaching problems.

"Both Keith and Cliff have played their entire pro careers for the Black Hawks. Their personalities, Keith with his outgoing gung-ho way and Cliff with his quiet dedication, make a great combination," G.M. Bob Pulford says.

Cliff and his wife Lynnae have three children, Jason, C.J. and Amanda. They live in the western suburbs. He will be 35 on Oct. 1.

MURRAY BANNERMAN

GOALTENDER
Shoots left 5'11" 184 Lbs.
Born: St. Francis, Ont.
April 27, 1957

The backup goalie to Tony Esposito is in much the same position as the vice president of the United States. He doesn't have much to keep him busy or to challenge him but when his time comes the whole world is watching.

Murray spent his first NHL season last year in that position, playing only 15 games. But he never let it get him down. He was always ready when Coach Maggie called and gave eveything he had in practices. Hawk brass believe Murray can hold his own with most goalies in the NHL. He came to the Hawks from Vancouver in a deal for Pit Martin. His last season at New Brunswick found Murray second in the voting for the MVP and he helped Moncton finish first in its division.

Personal: Murray and wife, Liz, live in one of the northern suburbs during the season. Played on Hawk softball team all summer.

KEITH BROWN

DEFENSE
Shoots right 6'1" 192 lbs.
Born: Cornerbrook, Newfoundland
May 6, 1960

Now a veteran of two seasons in the NHL, Keith was the only Black Hawk to play in all 80 games last year. He can play it rough or he can use his stick handling ability, depending on the situation. Keith is considered one of the five or six really top young defensemen in the league after being the first 19 year old to be plucked in the 1979 draft. Even now that he is 21, Keith could pass for a high school kid with his youthful smile and shy manner.

But on the ice, it's a completely different story. He can pick a forward's pocket and get the puck going the other way with such dexterity that most of the fans don't even realize what has happened.

Personal: Few athletes are more cooperative when it comes to helping with speaking assignments or interviews. Keith owns his own home in the western suburbs. Still single.

TED BULLEY

LEFT WING
Shoots left 6'1" 197 lbs.
Born: March 25, 1955
Windsor, Ont.

Bothered by an aggravated strep throat late in the first half of the season, Ted came on to score 21 points in his last 30 games last season (11-10-21). A tough physical forward, Ted was fifth on the club in penalty minutes last year with 95. He has averaged over 100 penalty minutes in his 4 seasons in the NHL. His best season overall was 1977-78 when he picked up 51 points.

Personal: Ted and wife Sue now make their off season home in Chicago. He was the Black Hawk's 7th round selection in the 1975 draft. Member of the Black Hawks softball team. Likes to make speaking engagements and hits a long ball in 12 inch softball.

GREG FOX

DEFENSE

Shoots left 6'2" 190 lbs.

Born: Vancouver, B.C.

August 12, 1953

Steady and consistent are words often used to describe the play of defenseman Greg Fox. Greg has been a regular on the Black Hawk blue line ever since he was acquired in March of 1979. He has missed just 14 games in the past two full seasons. 1980-81 was Greg's most productive in the NHL, registering a career high 16 assists. Fox is a graduate of the University of Michigan where he earned a degree.

Personal: Greg was married during last season and bought a house in the Chicago area. His wife's name is Susan. His hobbies include softball and golf.

TONY ESPOSITO

Goaltender
Shoots right 5'11" 185 lbs.
Born: Sault Ste. Marie, Ont.
April 23, 1943

When we speak of goaltending, the name of Anthony James Esposito pops immediately to mind.

Among his credentials besides serving in the nets for the Black Hawks since 1969 include: Most shutouts in one season, 15; Most shutouts of any active goalie in the NHL 73; and his latest escapade which was making Team USA respectable in the recent Canada Cup series.

Tony became a U.S. citizen on Aug. 11 and then joined Team USA. He had victories over the Swedes and the Czechs and helped get the U.S. team into the semi finals of the Canada Cup.

But his main concern is helping make the Black Hawks one of the top teams in the NHL. While the Hawks have been rebuilding the past three of four seasons, the one position that never was a problem was goalie as long as Tony O was around. And hopefully he is good for several more seasons.

Tony is one of a long line of great goalies who have worn the Chicago Indian head. He has continued the tradition which includes Charlie Gardiner, Lorne Chabot, Mike Karakas and Glenn Hall.

Personal: Tony lives in Elmhurst with his wife, Marilyn and two sons, Mark and Jason. He was graduated from Michigan Tech in business administration.

TIM HIGGINS

RIGHT WING
Shoots right 6'1" 185 lbs.
Born: Ottawa, Ontario
Feb. 7, 1958

Last season Tim emerged as the force Black Hawk management figured he would be when they tabbed him as their #1 pick in 1978. Higgy doubled his point production in 80-81, finishing tied for fifth in Black Hawk scoring with 59 points. Teamed with rookie Denis Savard most of the season, Tim saw plenty of action on the Black Hawk powerplay. He finished the season with a flurry, scoring 4 goals and adding 7 assists in his last 10 games. The 23 year old native of Ottawa is known for his tremendous skating and blistering shot.

Coach Magnuson is surely counting on Tim's steady improvement to bolster the Black Hawk attack this season. He missed just 2 games last season.

Personal: 10th player picked in the 1978 draft . . . Former linemate of Minnesota's Bobby Smith and Steve Payne with the Ottawa 67's. Tim and wife Jane have been married 2 years. Their hobbies include tennis and fishing. Tim is one of the team's better pool players.

TONY O;U.S. CITIZEN

Tony Esposito is congratulated by U.S. Circuit Judge James Parsons after swearing in ceremony at Dirksen Building on Aug. 11. Tony, who has more shutouts (74) than any active NHL goalie, has been with the Hawks since 1969 and graduated from Michigan Tech.

He played for Team USA in the recent Canada Cup giving the U.S. team its best goal tending ever.

DAVE HUTCHISON

DEFENSE
Shoots left 6'2" 205 lbs.
Born: London, Ont.
May 2, 1952

Dave saw action in just 59 games last season as the result of a broken finger suffered in Colorado on Feb. 14. He did not return to the lineup until April 1. Hutch is noted for his spirited leadership in the dressing room, putting team play before personal gain. Being the tough physical defenseman that he is, the Hawks will certainly need a healthy Dave Hutchison in front of the net in 1981-82. Hutchison was traded to Chicago by Toronto for Pat Ribble in January, 1980.

Personal: Hutch is an accomplished golfer in the off season. He and wife Alana celebrated the birth of their first child last January. They enjoyed a 3-week holiday in Hawaii over the summer.

REG KERR

CENTER
Shoots left 5'10" 186 lbs.
Born: Oxbow, Sask.
October 16, 1957

Versatility is the key word in describing the abilities of Reg Kerr. Reg scored 30 goals last season, second high on the team while playing all three forward positions. In addition to his regular shift Reg also saw plenty of action on the Black Hawk penalty killing unit. Tied with Grant Mulvey and Darryl Sutter for the club lead in game winning goals with four. Reg recorded two hat tricks last season (Winnipeg and NY Rangers) and four two goal games.

TOM LYSIAK

CENTER

Shoots left 6'1" 196 lbs.
Born: High Prairie, Alberta
April 22, 1953

Say Tom Lysiak and you've said it all. Tom is one of the NHL's premier centers combining skating, shooting and playmaking to go along with his uncanny sense of anticipating the flow of the play. Now entering his ninth year in the NHL, Tom has registered 68 or more points in each of those years. Last year Tom set a career high mark of 55 assists to go along with his team leading 76 points. In addition to his regular shift, Tom was one of the team's prominent penalty killers in 80-81.

He has scored 20 or more goals in 8 of his nine seasons in the league. His best night last season came on Oct. 19 when he scored three goals and added two assists in the Hawks' 8-4 win over the Caps at the Stadium. It was the same night the Hawks retired the jersey of former great Stan Mikita, honoring one hockey's truly great all time players.

Personal: Tom enjoys hunting and fishing. He spends the off season on his farm in Georgia. Tom was acquired in an 8 player deal with Atlanta in March of 1979.

JOHN MARKS

LEFT WING
Shoots left 6'2" 200 lbs.
Born: Winnipeg, Manitoba
March 22, 1948

Big John finally fell victim to the injury bug last season after playing nearly 8 years without a major injury. John suffered a broken leg in Colorado on Oct. 25 and did not return to the lineup until Jan. 28. John's consecutive game streak of 509 gives him the Hawk record and places him in the top 10 for endurance runs in the NHL. Marks is one of the league's better defensive forwards, an honor which usually finds him shadowing the top offensive player in the game. He once scored 2 goals in the first 33 seconds of a game against the Flyers. Started career as a defenseman and is still used back there occasionally.

Personal: John and wife Cathy reside in Chicago the year round. They have one daughter, Tricia. John combines golf and work at a suburban bank during the off season. Came to the Hawks from the University of North Dakota.

Born: Halifax, N.S.
Dec. 21, 1956

Peter will be starting his first full season as member of the Hawks. Acquired from the Winnipeg Jets last December, Marsh missed 24 games with an injured ankle. The 24 year old native of Halifax, Nova Scotia was originally drafted by Pittsburgh in the second round in 1976.

Peter played 3 years in the WHA before joining the Jets in 1979. The fastest skater on the team, Marsh is famous for his cannon-like shot.

Personal: Peter still single spent the off season in North Carolina. His hobbies include golf and softball. He and teammate Keith Brown could pass for twins.

RICK PATERSON

RIGHT WING—CENTER
Shoots Right 5'9" 187 lbs.
Born: Feb. 10, 1958
Kingston, Ont.

Rick came to the Hawks in 1978 when he was 3rd selection in the amateur draft. He played the bulk of his first two seasons in pro hockey with New Brunswick of the AHL, Chicago's development team. While primarily a center, Rick can play effectively at right wing also. This versatility proved helpful last season when both Grant Mulvey and Rich Preston were sidelined with lengthy injuries. Rick filled in admirably scoring 8 goals and going on to become one of the team's premier penalty killers. He enjoyed his best night as a pro on Januray 28 when he scored the hat trick, his first in the NHL, against the Vancouver Canucks.

Personal: A native of Kingston, Ontario, Rick makes his home in Canada during the off season. Had two short handed goals. In fact, his first NHL goal vs. Rangers was short handed. One of the fastest skaters in the NHL.

GRANT MULVEY

RIGHT WING

Shoots right 6'3" 202 lbs.

Born Sudbury, Ont.

September 17, 1956

Entering his 8th season with the Black Hawks, Grant Mulvey still checks in to training camp at only 25 years of age. The big right wing certainly appears to be headed for stardom in the NHL. Grant was off to a great start last season scoring 18 goals in the first two months of the season before the bad luck struck. He suffered a broken arm in Toronto Dec. 20 and was sidelined until March 22. Grant led the club in goals scored with 39 in 79-80 and seemed destined to break that mark last year before the injury. Although he played in only 48 games last year, Grant still tied for the club lead in game-winning goals with four. A major force on the Black Hawk powerplay Grant ranked among the team leaders in powerplay goals in 80-81. A healthy Grant Mulvey is vital to the Black Hawks in 1981-82.

Personal: Hawks' first round draft choice in 1974 at age 17. Grant enjoys golf, raquetball and running. He spends the off season working for a local printer. He and wife Pam have a son Kyle Patrick born in April of 1980. They live in Elmhurst.

Tessier Named New Coach In Moncton

Orval Tessier was signed as the new coach of the New Brunswick Hawks of the American Hockey League, Black Hawk farm team.

Tessier coached the Kitchener Rangers last year and took them to the Finals of the Memorial Cup. He served six years as coach of Cornwall. Among his proteges in junior hockey are Bob Murray and Ric Paterson, whom he coached.

RICH PRESTON

RIGHT WING
Shoots Right 5'11" 185 lbs.
Born: Regina, Sask.
May 22, 1952

Black Hawk management is looking forward to seeing a healthy Rich Preston back in the Chicago lineup this season. After scoring 31 goals and playing in all 80 games in 79-80, Rich was put out of action last November with torn cartilage in his knee. He missed 33 games. Rich is regarded among hockey people as one of the most complete players in the game. Combining the defensive skills of forechecking and penalty killing with his usual brilliance on offense makes Preston invaluable to the Hawk attack. A graduate of Denver University, Preston went on to play five seasons in the WHA before joining the Hawks in 1979. Previous to his injury last season Preston had scored 20 or more goals in his first 6 seasons in pro hockey.

Personal: Rich and new wife Laura toured Europe over the summer. They reside in Elmhurst. Rich is an excellent banjo player and also a regular member on the Black Hawks softball team.

TERRY RUSKOWSKI

CENTER
Shoot left 5'10" 178 lbs.
Born: Prince Albert, Sask.
December 31, 1954

Starting his third season with the Hawks, Terry is the acknowledged leader and captain of the Black Hawks. In 1980-81 Terry led the club in penalty minutes with (225) and was second in assists with 51. A tireless worker, Terry is very adept at forechecking and playmaking. Rosko came to the Hawks in 1979 after playing 5 years in the WHA. Terry is always among the team leaders in the 3 star standings, an award presented to the player judged most valuable during the season. Although he's one of the most competitive men in sports, off the ice he is one of the most cooperative.

Personal: Terry and wife Carol live in Northbrook. He is an excellent golfer. During the off season Terry remains busy with speaking engagements and appearances on behalf of the club.

DENIS JOSEPH SAVARD

CENTER
Shoots right 5'10" 167 lbs.
Born: Pt. Gatineau, Que.
Feb.4, 1961
(On Cover)

Denis Savard became a household name in just one season in Chicago. Drafted 3rd overall in 1980, the highest Black Hawk choice ever, Savard wasted no time in asserting himself in the NHL. Denis finished second on the team in scoring, one point behind leader Tom Lysiak. He shattered Bill Mosienko's 1944 record of 70 points in a season by a rookie scoring 75 last year. His swift skating stride and smooth stick-handling are two assets sure to make Denis one of the league's premier players. Savard not only sparkled offensively. He led the club in plus-minus percentage and ranked among the NHL's elite players in plus-minus for the season. "Denis has shown us he has all the tools to have a great career," says GM Bob Pulford.

Personal: Denis makes his off season home in native Montreal. But he recently bought his own house in the western suburbs. He is single.

Denny On The Move

AL SECORD

Left Wing
Shoots left 6'1" 205 lbs.
Born: Sudbury, Ont.
March 3, 1958

In just over 4 months with the Hawks Al Secord has established himself as one of the team's most popular players. Acquired from the Boston Bruins where he was noted for his spirited hard nosed play, Al continued this style of play here. He not only was one of the club's better forecheckers he also contributed 13 goals and 10 assists to the Hawk totals. "Al is the type of player we feel is crucial to the success of the franchise," says coach Keith Magnuson. Al was the Bruins' first selection in the 1978 amateur draft. Secord is just as valuable to the Hawks off the ice as he is on. He is always willing to help out with team functions and speaking engagements.

Personal: Al, who is single, spends his summers at his parents' lodge in Espanola, Ontario. He is a proficient boxer currently planning to fight on an amateur level next summer.

Shoots Right 6'0" 197 lbs.
Born: Sept. 6, 1956
York, Ont.

Obtained from the Minnesota North Stars last December, Glen came on to register 26 points in only 35 games with the Hawks. Playmaking and shooting are two of Glen's stronger points. The 25 year old native of York, Ont. was Minnesota's first choice, the third selection overall in the 1976 amateur draft. He has scored 20 or more goals in 4 of his 5 NHL seasons. Versatility is another key word to describe Glen Sharpley. He can play center or right wing and often sees duty on the powerplay and penalty killing units.

Personal: Glen and new wife Joanne were married this summer. The Sharpleys make their off season home in Minnesota. Glen is an avid softball player and played in most of the Hawks' games this summer.

DARRYL SUTTER

Left Wing
Shoots left 5'11" 175 lbs.
Born: Viking, Alberta
August 19, 1958
(On Cover)

In his rookie season last year Darryl proved once again that the Sutter name stands for quality in NHL play. Darryl scored 40 goals last season, eclipsing the former record of goals scored by a Hawk rookie, 32 set by former Hawk great Bill Mosienko in 1944. In fact only two other NHL players ever have scored more than 40 goals in their rookie seasons. Mike Bossy—53 and Richard Martin—44.

Darryl had seven two-goal games last year to go along with 4 game winning goals. His hard nosed play around the opposition goal and his persistent forechecking in the corners makes him one of the hardest working players in the NHL. Darryl was named the American Hockey League Rookie of the Year in 1979-80. He was drafted by the Hawks as their 11th pick in the 1978 draft and spent that year playing in Japan. Darryl then went on to star with New Brunswick in the AHL before being called up to join Hawks late in the 79-80 season.

Personal: Darryl and wife, Wanda, spend their summers on the Sutter ranch in Viking, Alberta. Darryl has three other brothers playing in the NHL. Brian is captain of the St. Louis Blues. Duane and Brent play with the New York Islanders. Two other Sutter brothers are eligible for the NHL draft next season. (Darryl's 40 goals is the most by a Hawk since Jim Pappin scored 41 in 72-73. It is the most by a left wing since Bobby Hull scored 50 in 71-72.)

TONY TANTI

RIGHT WING
Shoots Left 5'9" 190 lbs.
Born: Sept. 7, 1963
Toronto, Ont.

The Black Hawks' first choice in last summer's draft, Tony Tanti has the name of a movie idol, but would rather play right wing for Chicago. Taken as the 12th player overall in the draft, Tanti starred with Oshawa last year, scoring 81 goals and 69 assists. His 81 goals eclipsed the former OHA record of 70 goals set by Edmonton superstar Wayne Gretzky.

The 18 year old right wing has undergone a weight building program during the summer in an effort to further condition himself for the upcoming season. Tony was a peewee all-star in 1974 and later a standout in the 1979 Canadian National Midget Championships. Tanti was named to the first team OHA All-Stars last year, finishing fourth overall in the league point race.

Personal: Tanti turned 18 on Sept. 7. He enjoys jogging and swimming during the summer. He is single. He is a very good soccer player, the national sport of his dad's native Malta. Scored his first goal in exhibition game in Montreal.

DOUG WILSON

DEFENSE
Shoots left 6'1" 187 lbs.
Born: Ottawa, Ontario
July 5, 1957

The Black Hawks' first round selection in the 1977 draft, Doug has become one of the premier defensemen in the NHL. He consistently ranks among the team leaders in assists, last season finishing fifth. Doug is known for his puck handling and tremendous shot from the point, two assets that really help the Black Hawk power play.

Doug is one of nine first round choices who played on the parent team last season.

Personal: Doug and new wife Kathy were married in July and make their home in Elmhurst. Doug was a teammate of Tim Higgins on the Otawa 67's in the OHA. He enjoys golf and softball in the off season. Spent much time in England as a youngster. His father was an Air Force officer.

PAT FOLEY
WIND
Play by Play

In keeping with their youth movement, Pat Foley earned as many accolades as rookie of the year as the Hawks' other two youngsters, Denis Savard and Darryl Sutter.

While Savard and Sutter were doing it on the ice, Foley was giving Hawk fans one of the most exciting play by play broadcasts in the NHL. He will be back this year with the Black Hawks' new radio station, WIND, AM 56.

Foley, 26, grew up in Glenview and was "discovered" by Michael Wirtz, Hawk vice president who listened to a few of Pat's tapes of games he did for the Grand Rapids Owls of the International League where he worked for 2½ years.

Pat developed his radio interest after being introduced to the late, great Jack Quinlan at a Cub game. Quinlan, who was killed in an auto accident several years ago, had been the Cubs announcer and was nice enough to show Pat around the Wrigley Field booth. "That's when I fell in love with broadcasting," Pat says.

While attending Michigan State University, Pat did baseball and hockey for local radio stations and continued his Grand Rapids connections during the past summer. He also plays a lot of softball at shortstop.

He admits his hero has always been Lloyd Pettit, who was the "voice" of the Black Hawks for many years before retiring to Milwaukee where he owns the Admirals, in the Internatinal League.

Besides having a good voice and a very good knowledge of the game, Pat keeps the play moving and enjoys the excitement, making every game sound like the seventh game of the Stanley Cup Finals.

He is a graduate of Loyola Academy on the north shore as well as MSU.

The six clubs in the Norris Division — Chicago, Detroit, Minnesota, St. Louis, Toronto and Winnipeg — will play each other seven times with three games against each of the remaining 15 teams. The home-ice differential will be alternated each season

STANLEY CUP PLAYOFFS:

At the conclusion of the regular schedule, the top four finishers in each of the Divisions will qualify for the Stanley Cup playoffs.

The preliminary round features divisional playoffs that will have the first place club oppose the fourth-place team and second versus third in a best-of-five series. The winners of each series will remain in the division and play a best-of-seven quarter-final round with the team gaining higher standing during the regular-season holding home-ice advantage.

The four divisional winners will meet in a best-of-seven semi-final round. The Smythe Division winner will face the Norris Division champion, while the Patrick Division victor will oppose the Adams Division winner. The Conference winners will meet in a best-of-seven final series for the Stanley Cup.

Home-ice advantage for the semi-final and final rounds will be alternated each season according to Division and Conference.
